Re: Textron Innovations Inc. v. The Toro Company
C. A. No. 05-486 (GMS)
M&G No. 6372.149-US-ZA

Dear Judge Sleet:

Enclosed for Your Honor's consideration is a Second Stipulation to Extend Expert Report and Factual Discovery Deadlines. In light of the issues raised during yesterday's teleconference and the efforts of both parties to complete their respective document productions and supplementations, the details of which the parties are presently meeting and conferring and attempting to resolve, and in an effort to complete the necessary fact discovery thereafter, the parties have proposed a limited extension of the discovery schedule. This limited extension will not affect the trial date for this matter, the scheduling of summary judgment briefing, to the extent such briefing is permitted, or the remaining dates on the case schedule.

Respectfully,

/s/ David E. Moore
